Before Starting the Project Listings for the CoC Priority Listing

Under the CoC Builds NOFO, the CoC's designated Collaborative Applicant must submit the selected project application(s). The Priority Listing affirms the CoC's project application(s) selection.

The CoC may only submit one project application unless it also receives a second project application from a Tribe or Tribally Designated Housing Entity (TDHE), then it may submit two project applications.

Project applications are not ranked, rather the CoC Collaborative Applicant will indicate "Yes" for to accept the submitted application and submit; or "No" to reject the submitted application.

If the Collaborative Applicant needs to amend a project application for any reason it MUST ensure the amended project is returned to the Project Listing AND reaffirmed for submission BEFORE submitting the CoC Priority Listing to HUD in e-snaps.
