

HMIS Grievance Form

If you have data collected in the KS-507 Homeless Management Information System (HMIS) and suspect your privacy rights have been violated by the Kansas Statewide Homeless Coalition (KSHC) or a HMIS partner agency, you have the right to file a grievance directly with KSHC.

It is against the law for KSHC or any partner agency to retaliate against you if you file a grievance. KSHC will attempt to respond to your filing within 30 days.
